"The heavens declare the glory of God; and the firmament shows His handiwork." - Psalm 19:1
"For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead." - Romans 1:20
God spoke and everything we see, and even things that are beyond our sight, were created in an instance. It was not just created, but it was created with beauty and marvel such that each created thing displays its own glory, glory which is unique. All created thing declares the glory of God. The creativity of God and His glory is clearly being displayed in everything. c Those who deny the glory of God in His creation make a fool of themselves and they rob God of His glory. Let's give God, and Him alone, all glory and honor. Praise the Lord!
